

The Fishmongers' Company
Grant Application Scheme 2018/2019

Data Protection Statement

The Fishmongers' Company 'the Company' is registered under the Data Protection Act 1988 and complies with the provisions of this Act. Grant applicants are reminded that in order for the assessment to be completed, the Company will process and circulate grant applications among trustees and staff, and where necessary professional advisors, and will store information provided by them. Data will be held securely, processed lawfully and shall not be retained for longer than is necessary.

In addition, data may be used to compile lists of unsuccessful funding applications, which will be retained for internal use only; to compile published lists of grant holders, which may be posted on the internet; to inform you of the Company's future events and programmes; by individuals and organisations working for the Company, and for the prevention of fraud.

When you submit a grant application, you will be asked to confirm that you give consent to the Company to process the data provided for these purposes.

Deadline for the submission of applications

Applications wishing to be considered by the October Committee must be received no later than noon on 1 February 2019
